## PROFILE

Highly motivated and adaptable individual with leadership experience as a fast food crew chief, now eager to transition into the Information Technology industry. With a strong foundation in teamwork, problem-solving, and high-pressure environments, I am ready to apply these transferable skills to technical challenges and continuous learning in IT. As a recent graduate, I bring a fresh perspective, a strong work ethic, and a commitment to growth. I am excited to embrace this new chapter and contribute to the tech industry with enthusiasm and dedication.
